

# AVELLINO'S WOOD FIRED PIZZA TRUCK

**Our custom designed pizza truck adds unique character & excitement to your party. It has a self contained commercial freezer/fridge, generator, lights and work table. Our authentic wood fired oven was made by hand. All of our authentic wood fired pizza are prepared fresh with double zero flour, topped with handmade fresh water mozzarella, homemade imported Italian tomato sauce and fresh basil. Pies cook in about 2-3 minutes. Farm fresh veggies and quality meat toppings are also available.**

## Party Times:

**We arrive about 1- 1.5 hours before scheduled serve time. We serve up to 2 hours after set up for smaller parties and up to 3 hours after set up for larger parties. Our truck just needs a flat, level surface to park on... like a driveway.**

## Serving:

**We can accommodate parties of a minimum of 25 guests up to 150 guests. We serve buffet style. We will have several pizza varieties for you and your guests to choose including our classic margherita pizza. We suggest a variety of 4-5 other pizza toppings to choose from. We make unlimited pizza for your group size. After the initial rush, guests are welcomed to make special requests. If there are any guests with dietary restrictions, please let us know before hand. We can accommodate vegetarian and gluten free diets. Paper plates, napkins, utensils and seasonings are included. If you prefer, we will be happy to use paper wear and utensils that you provide.**

## Deposit and payment:

**We require a \$250 deposit to hold a date. Deposits can be returned if the party is canceled with at least a 15 day notice. If your party is canceled with less than a 15 days notice we will retain your deposit. In the event of a same day cancellation due to weather, we will retain your deposit and you can reschedule up to one year in advance and your deposit will be applied in full. We prefer cash or check payment. Additional fees will apply for distances over 12 miles. Should your venue require local permits such as health and fire, we will bill you for those costs.**

## Take Home Pizza:

**Occasionally guests want to take pizza home. This is not included in the cost. Just let us know if you would like to provide take home pizza and we will bill you per pie depending on pizza type.**
